## Aloe Vera Eco, Calendula, Chamomile & Panthenol

Ultra-lightweight body gel with fast absorption, formulated to soothe and rebalance the skin after sun exposure. It combines Aloe Vera, Calendula, Chamomile, and Cucumber—actives recognized for their calming and hydrating properties—providing an immediate sensation of freshness and relief.

Its non-sticky, fluid gel texture spreads easily, leaving the skin soft, hydrated, and supple. Enriched with Panthenol, Bisabolol, and Allantoin, it helps reduce tightness, while Rosehip Oil and Shea Butter provide light nourishment without a greasy feel.

A soft, relaxing fragrance completes the experience, making it the ideal ally for summer skin care or after any exposure to heat or UV radiation.

### Directions for use

Apply to clean, dry skin after sun exposure. Massage until fully absorbed. Reapply as needed to maintain skin comfort. Topical use. Avoid contact with eyes and mucous membranes.
